

# Knowing God More

## Introduction

In Exodus 33 we can read of a discussion between Moses and the Lord. Verse 11 tells us that "...the LORD spoke to Moses face to face, as a man speaks to his friend." And yet we find that Moses wanted to know God more so we see in verse 18 that he asked God to "Please, show me your glory."

Do we have this desire? Do we want to know God more? The very fact that you are doing this lesson shows that your answer to this question is yes!

1. We have the answer God gave to Moses in Exodus 33:19. Write out the first sentence in this verse below.

2. Now read Exodus 34:5-7 where the Lord "proclaimed the name of the Lord" to Moses. Read these scriptures, then write the words that the Lord spoke in verse 6.

For this summer study we will take these descriptive words that the Lord proclaimed as His name, a description of His character, and look further into each one, seeking to know Him more!
